

Mr. ALBERT SELVAKUMAR
Assistant Professor and Head (In-Charge)
Department of Petroleum Engineering

Brief:

Mr. Albert Selvakumar has more than 6 years of international teaching experience, along with 2 years of industrial experience. He started his teaching career in All Nations University, Ghana, West Africa as a Lecturer in Petroleum Engineering and awarded 'Excellence in Teaching' (2011). He served in Eritrea Institute of technology, Eritrea, East Africa (EIT, 2011-14) as an academician and administrator. He joined International University of Technology Twintech (IUTT), Sana'a, Yemen in the year 2014 as Head of Petroleum Engineering (Oil & Gas).

Highest Qualification: M. Tech, Petroleum from Anna University (*Gold Medalist*)

Total Experience: More than 8 years (International & In India)

International Publication: Removal of sulphur dioxide by ferric oxide in packed bed and analyze break through curves and mass transfer zone, International Journal of Engineering Research & Technology (IJERT) Vol. 1 Issue 9, November- 2012 ISSN: 2278-0181, *Jeyapal Albert Selvakumar*.

Research Interest:

1. Capture of sulphur and its components from petroleum products
2. Reservoir rock properties
3. Well logging(Sonic&Caliper)

Conference:

1. Conducted conference at ANU
Theme:“Oil and Gas Discovery in Ghana, the Synergy between Management, Development and Environment”
Sub Theme:“The recent British Petroleum’s Oil spill in the Gulf Coast of USA”
2. Chemfluence, 2009
Anna University, Chennai, India
3. Chemcon, 2010
Indian Institute of Technology, Mumbai, India

Membership: Society of Petroleum Engineers (SPE)
